

## TECHNICAL DATA SHEET

# Woodpecker™ Spray Cleaner Kit

Environmentally friendly and Streak Free

## Description

Woodpecker Spray Cleaner Kit is a convenient kit for easy cleaning of any hard surface. It contains an environmentally friendly, biodegradable cleaner which leaves no residue and does not require rinsing. Woodpecker Spray Cleaner dries to a streak-free finish.

## Typical Uses

- For general cleaning of urethane and wax finished parquet, laminate and hardwood flooring
- Also for use on cork flooring and other hard surfaces

## Limitations

- Keep from freezing
- Always test product in a small area to ensure suitability
- Do not spray directly on floor and allow to dry

## Kit Includes

- Plastic Mop Head with scrub pad
- Machine Washable Mop Cover
- 755ml (25 oz) Bottle of Cleaner
- 3-Piece Mop Handle

## Application

- Read all instructions thoroughly before applying
- Spray directly on a terry cloth mop or sponge and mop or wipe intended surface
- No rinsing necessary
- Can be sprayed directly on floor for spot cleaning with a cloth or sponge

## Theoretical Coverage

- Up to 180 m<sup>2</sup> (2000 sq.ft.) per 755ml (25oz.) bottle

## Safety Precautions

Please refer to product Safety Data sheet.
